plastic

Smile, it's GOOD for you!

Introducing TePe GOOD™ – a unique collection of products with the same TePe quality, design and feeling as always, but made of bio-based plastic. Using good, renewable raw materials, we can recirculate 95% of the CO₂ emissions during their life cycle. Naturally, the products are produced using green energy, partly from our own rooftop solar panel facility.

More GOOD news

TePe GOOD Compact toothbrush and TePe GOOD Tongue Cleaner join the GOOD family. They are designed in collaboration with dental experts and made from bio-based plastic.

TePe GOOD Compact toothbrush is ideal for children and adults that prefer a smaller head.

The TePe GOOD Tongue Cleaner is designed to remove bacteria on the tongue to improve oral health and prevent bad breath.

TePe GOOD Regular and TePe GOOD Mini are available now.

TEP1341 - Compact Soft - Pk 14

TEP1342 - Soft - Pk 14

TEP1220 - Mini Extra Soft - Pk 14

TEP3815 - Tongue Cleaner - Pk 14

GOOD for you. GOOD for the environment.

Thanks to the use of the renewable raw materials, sugar cane and castor oil, TePe can now manage to recirculate up to 95% of the carbon dioxide emissions during its life cycle.

Bamboo Piksters®

World's
First

An interdental brush with minimal plastic waste, sustainably sourced and 97% biodegradable.

STRAIGHT HANDLE

Bamboo Piksters Straight Handle interdental brushes are modelled in the traditional Piksters style for effective interdental cleaning.

Available in a pack of 8 brushes of the same size. Sizes (00-6) or in an assorted pack of 8 brushes with one of each size.

100% recycled
biodegradable
packaging.

Biodegradable and
sustainably grown
bamboo handle.

BETTER ACCESS

RIGHT ANGLE Piksters

Bamboo Piksters Right Angle has a 90 degree tilt which offers the perfect angle for posterior teeth without the need to bend the wires. The longer handle increases dexterity and provides a better grip.

The cap and colour tip is 100% sustainable and biodegradable cornstarch based polymer.

Available in a pack of 6 brushes of the same size.

Sizes (00,1,3,5) or in an assorted pack of 6 brushes with one of each size.

WHY BAMBOO PIKSTERS?

The world's first bamboo interdental brushes are brought to you by Piksters, Australia's number 1 selling interdental brush. The quality dental professionals and consumers love, now in an ecofriendly form. Bamboo Piksters combines a biodegradable bamboo handle with 100% compostable packaging to offer the market quality interdental care that reduces plastic waste. Any plastic used is made from a special polymer (PLA) - which is also biodegradable and made from corn starch, not crude oil.

**THE
HUMBLE
CO.**

There is no
Planet B.

The Humble Co. develops reliable health/wellness products, that are eco-friendly and socially responsible, with an innovative twist.

Our products are better for you, and also happen to be better for the environment. We are FDA approved, Vegan, Cruelty-free, Certified Organic and so much more.

EVERY **HUMBLE** purchase **FUNDS PROJECTS** for the
BENEFITS OF CHILDREN IN NEED

Humble Brush

The world's most sold bamboo toothbrush with a handle made from 100% biodegradable, sustainably-grown bamboo. Quality bristles from DuPont, available for adults and kids.

ORDERLINE : 01737 765400

sales@cts-dental.com

THE HUMBLE CO. | natural toothpaste

An SLS-free, natural ingredient toothpaste which contains sodium fluoride and comes in tubes made from recycled materials. Useful for the prevention of Cavities, Bleeding gums, Bad breath, Plaque & Staining and tooth loss.

THE HUMBLE CO. | bamboo interdental brushes

Made from 100% sustainably grown bamboo handles and quality nylon DuPont bristle which offers you an easy and practical alternative to flossing.

Available in

Size 0(0.4mm), size 2(0.5mm), size 3 (0.6mm) and size 4 (0.7mm)

THE HUMBLE CO. | Floss , Floss Picks & Cotton buds

Humble floss is made from nylon and slides easily between your teeth without shredding or breaking. The floss is coated with a mint or lemon flavouring as well as xylitol.

The packaging itself becomes your floss dispenser which eliminates the need for a plastic case.

Humble floss picks are made primarily from corn-starch and packaged in eco-friendly paper packaging. The double threading ensures that food debris is effectively removed whilst the shape of the pick promotes easy access to those hard to reach places.

Humble cotton swabs are made with a 100% biodegradable, sustainably-grown bamboo handle. Cotton with natural coloring on the ends.

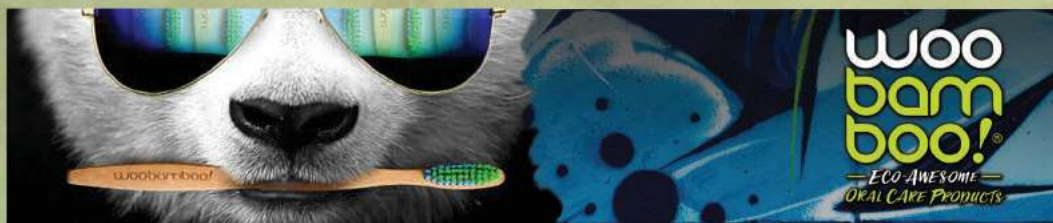

100 pcs of swab per pack.

How to use:

Slot refill through space at the end of the handle and tighten to hold in place.

CTS0030

Hygovac Aspirator Tubes

Green PE is a fossil-free, bio-based polyethylene made from sugar canes. Unlike conventional PE where fossil raw materials such as oil and natural gas are used, sugar cane is a completely renewable resource.

Hygovac Bio comes in 2 lengths: 120 mm and 95 mm. Both lengths are with dual tips: 45° and S-shaped. The shorter length make the aspirator tube more ergonomic and stable.

Hygovac Bio Short is ideal for hygienists and gives an easier access when working without assistance.

Fully biodegradable and recyclable
white paper bags.

SHE8630 - 100 PER PK

CTS4482

BIO PLA LINED PAPER CUPS

Bio Paper cup has a PLA Lining - a resin made from corn starch. Biodegradable and fully compostable, it provides a water tight impermeable liner for hot or cold liquids which means the cup will not leak. The manufacturing process has a lower carbon footprint when compared to standard plastic extruding and furthermore as it is made nearby in Europe it enjoys a lower transportation "co2" footprint than the majority of cups on the market which are made in the Far East. End-of-life disposable options of either commercially biodegrading or composting.

Disposal: the 7oz PLA Bio Paper Cup range can be collected with food waste (industrial composting facility required) and within 12 weeks processing they will biodegrade into a compost product that is ready to mix with soil to grow more plants. **Sleeve quantity 50 cups, case quantity 20 sleeves.**
